

SA-12-89

DATE: July 11, 1989

TO: All Facility Safety Heads
All Facility Coordinators
All Contractor Safety Representatives

FROM: 429/Safety Manager, Head, Safety Engineering Branch,
SSQRD

SUBJECT: LaRC Safety Awareness/Training Library

Attached is a listing of safety program training material available to increase the effectiveness of the safety and occupational health program at your facility. As new safety awareness/training video tapes are acquired, updates will be provided. It is the intent of the Safety Office to assure that your needs are appropriately met.

If further information is required, contact the undersigned at your convenience.
